## 2016 PAXTON JONES BLOCK SINGLE VINEYARD McLAREN VALE SHIRAZ

RRP \$45 / 2050

Hand-picked, matured in French and American barriques (40% new) for 22 months. Vivid, deep crimson-purple hue; this is an unabashed powerhouse, dripping with black fruits, dark chocolate, liquorice and earthy tannins to hold the fruit in place. Given its screwcap, its lifespan will challenge that of most who drink it. 14.5% alc.

### WINEMAKER

Richard Freebairn

### *At what age do you believe this wine is at its peak?*

This wine is made in the more traditional style and cellaring is beneficial. There are many great, positive characters when young, however, cellaring for 10 to 15 years will bring it into a different spectrum. The density of fruit and complexity of new oak will mellow and you will end up with a sophisticated wine that will knock your socks off.
